

In a silent way, they will
never find me out, no doubt.
they would like to hunt me
up, they tried it once, but they
got fooled, bad, so cheer up.
I shall always be your sincere
friend for I believe you are
a God fearing woman. No matter
what the rest of the world thinks
about you so don't worry. Mrs
Hall, you will win out, in the
End, I found Employment here
and gave up rooming around
and I trust in God soon Day I
will meet, you, and tell I wish
you cheer up, my dear, women.
all I ask of you is pray for
me at your Evening prayers.

Sincerely yours

X
